School Attendance Survey

(Due: August 18, 2020)

On August 11, 2020, the Enfield Board of Education adopted a hybrid model for school reopening on September 8th through October 16th. Students will return for in person learning two days a week; Monday and Tuesdays for students with a last name beginning with A-K, Thursdays and Fridays for students with a last name beginning with L-Z. All students will participate in remote learning on Wednesdays.

More details on the specifics of this hybrid plan are available on the district website <http://www.enfieldschools.org>.

The purpose of this survey is to confirm if you will be sending your student to school for our Hybrid Plan on September 8th. Parents do have the option of “opting out” of this plan and choosing a full distance learning model for this phase.

Please complete the survey for each of your students.

Please understand that any parent who opts out, they will be committing to that choice until October 16, 2020.
